A PERSONAL LETTER TO MR. WIMPI.

MR. H. CORNELIUS WIMPI:
DEAR SIR—Your favor of the 14th inst. at hand, acknowledging the receipt of spring suit, and can assure you that the pleasure and satisfaction you express is fully equalled by the gratification we feel in turning out work that so heartily meets with the approval of our patrons. We are doing the largest business this season that we have done for years, and with increased facilities for doing first-class work, we are having an especial drive on our striped Scotch Trowsers which we have marked down to 50c. We have also been remarkably successful in the sale of our \$25 suits, and have been compelled to duplicate the patterns several times. Thanking you for past favors, and trusting that we may merit a continuance of them in the future, we remain,
Yours, etc.,
J. H. Phillips

LOCAL BREVITIES.

Mr. L. H. Wilson, of Indianapolis, was in town this morning.
Mr. Paul McCartney, of Dubuque, Iowa, is in the city today.
Mrs. Kentry, of Portland, Oregon, is visiting her sister, Mrs. W. A. Barnett.
Miss Anna Manderton, of Cincinnati, is the guest of friends in this city this week.
The L. B. & W. pay-car went through today, distributing the glue to the railroad boys.
The Rev. Henry Tuckley, pastor of St. Paul M. E. church, lectured at Grace M. E. church in Urbana, last night.
Professor W. S. Hoskinson, wife and family, went to New Carlisle last evening to spend Sunday with Mrs. Hoskinson's parents.
A boy named Hele Maxton, living on south Plum street, fell and dislocated his left shoulder while jumping off a street-car last night.
The merchants are kicking today over the "sharp, short shock" produced by the change in the weather. It knocks spring trade silly.
E. M. Campbell, esp., has had his beard removed and his hair cut. He looks as though he might ultimately become old enough to vote.
Mr. Wilber Colvin will lead the Gospel temperance meeting at Temperance hall Sunday afternoon, at 3:30 o'clock. Everybody invited. Good speakers will be present.
Mr. George C. Hall, formerly of this city, now the successful business manager of the *Union Signal*, the national organ of the W. C. T. U., spent yesterday among his many friends in this city.
The remains of a child of Mr. and Mrs. Charles Stickney, which have been lying in the vault at Ferncliff since the fourteenth of March, will be interred in the Catholic cemetery tomorrow morning at 10 o'clock.
Mr. W. A. Henderson, recently of St. John S. M. Co.'s office force, left this morning for New York, to which city his wife preceded him one week. After visiting with Mrs. Henderson's relatives until the middle of the week, they go to Providence, R. I., to make it their future home. The well-wishes of many friends in this city go with them.
Our leading music house, R. F. Brandon & Co., are the busiest men in town. They are busy from morning until late at night with their customers. They keep six lively men to help, and then cannot keep their work up. Their low prices, easy terms, and reputation for honest dealing, is the key to their success. Don't fool your money away with commission merchants, that swindle the people.
Richard A. Proctor says Wiggins is no good, but Wiggins only made a mistake in the date and place; he would have it April 25, Lagonda avenue.

Ever offered for sale in this city. Those who have not dealt with us formerly, we cordially invite to give us a trial. You will certainly find our goods superior to all others.

GEORGE BRATTON, MANAGER.

No Tramp Doctor.
It ought not to be necessary to defend Dr. Albert, who is to visit the Lagonda house on Tuesday, April 19, from the charge of being a "tramp doctor," for no one was ever further removed from that disreputable class of charlatans, who go from place to place, staying a month, here a fortnight there, leaving always when the public finds them out, as find them out it will.
No medical institution in the west is better or more favorably known than Dr. Albert's Cleveland Medical Institute. The doctor is firmly established in the Forest City, where he is known and honored. He visits our town solely because it is impossible for all those whom he wishes to reach to visit him.
The better the day the better the deed. There is no better day than April 25th and no better deed than to buy a home April 25th.
All championship games received at Co-ho & Lynch's every evening by telegraph.
A set of teeth from 85 up. Rowland dentist, Black's opera house.

RECOMMENDED Without Reserve.

"The results of a complete analysis of several packages of CLEVELAND'S SUPERIOR BAKING POWDER, purchased by myself of grocers, confirm the fact that it is made of pure and healthful materials, well manufactured, and is in every particular reliable and most wholesome. Having had the examination of the materials used in manufacturing the Cleveland Powder for many years, it affords me pleasure to recommend it without reserve."
